

Human Rights Education in Lithuania

NATIONAL
INSTITUTE **FOR SOCIAL
INTEGRATION**

Gintare Gedrimaite

Human Rights in Lithuania/the most unwanted neighbors

Human Rights in Lithuania

- Children rights
- Sexual identity
- Nationalistic and anti-Semitic movements

Human Rights Education

- central to addressing the underlying causes of human rights violations, preventing human rights abuses, combating discrimination, promoting equality, and enhancing people's participation in democratic decision-making processes

Non Formal Human Rights Education

- gives an opportunity to practise values and develop a wide range of skills and competencies

Human Rights Education/Actors

Media

Schools

NGOs

all

different

all

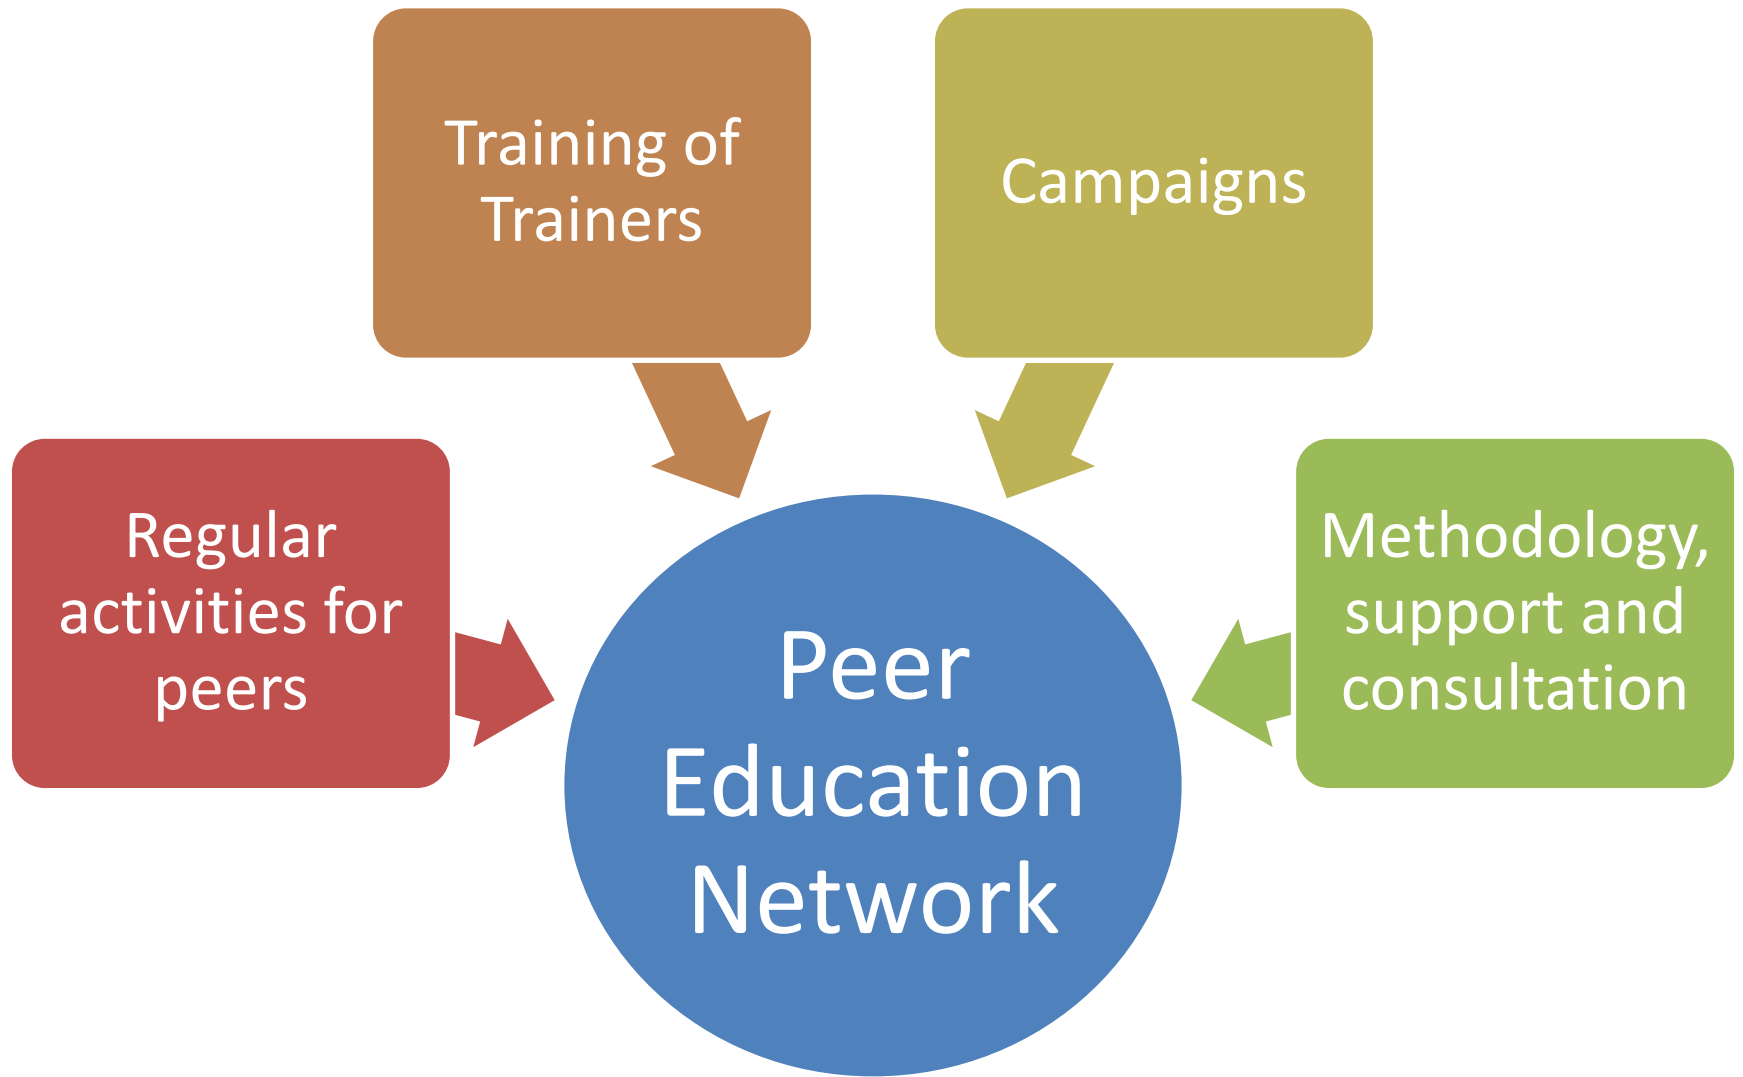

equal

1995 (Lithuania not involved)

June 2006 to September 2007 (implemented by Youth Affairs Department)

September 2007 to April 2009 (voluntary and independent movement)

April 2009 – onwards (coordinated by National Institute for Social Integration)
